

Portable Fold-Up VMS

FACT SHEET

The BARTCO Portable Colour Fold-Up VMS uses all the technology of our range of trailer mounted VMS, but with the benefit of being lightweight, compact and easily transportable.

The Portable fold-up VMS was designed specifically for ease and speed of deployment, making everyday use and setup simpler than ever!

It is a self-contained unit including battery pack, battery charger with 240V input, stand, and canvas carry bag, software, and cabling.

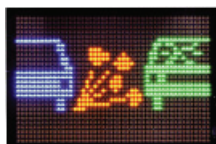

Fold-Up Specifications

Note: measurements are in mm.
