# Bartco Service & Preventative Maintenance

The Bartco Preventative Maintenance Program (BPMP) is designed to help you cut costs, whilst making the most of your equipment, through the practice of regular preventative maintenance.

BPMP is cost convenient, and will:

- Reduce Downtime
- Extend Equipment Life
- Keep technology current
- Improve resale value

**FOR 100%  
PERFORMANCE,  
DEMAND 100%  
BARTCO.**

Bartco National Service Centre  
Melbourne, Victoria, Australia

## One good decision deserves another.

You chose Bartco equipment for unsurpassed quality, features and technology. Choose Bartco preventative maintenance and guarantee that your equipment continues to operate at the highest level for many years to come to maximise your Return on Investment.

## Secure your investment.

A Bartco preventative maintenance program provides the most comprehensive way to keep your Bartco equipment performing like new.

Having an effective preventative maintenance program in place for your equipment provides you with true peace of mind. Our program is designed to eliminate the risk of excessive repair expenses, even costlier downtime as well as eliminating those unexpected large repair costs.

## Keep it 100% Bartco.

As the original manufacturer of portable traffic equipment, only Bartco is qualified to keep your equipment functioning at peak performance – day after day, year after year.

Only Bartco is guaranteed to fix it right the first time, keeping repair times to a minimum, maximising uptime and increasing productivity.

Trust Bartco to supply genuine parts, and support you with fully factory trained and experienced service agents across Australia and New Zealand, minimising your downtime & assisting in controlling your maintenance costs.

## The BPMP Service Agreement offer includes:

- Standard Preventative Maintenance Service
- Fixed price for term of agreement
- Discounted rates for spares
- Full Electronic Maintenance records
- Controller Technology upgrade (if applicable)

*Not satisfied with your current level of service? These options are available for all makes of VMS*

### BARTCO PRODUCTS:

## Your Support Network - Marshalls

When you employ the power of Bartco Service, you employ the strength of an Australia wide service support network supported by the leaders in onsite service and maintenance – Marshalls.

With a Nationwide presence of more than 100 outlets, Bartco have joined forces with Marshalls to offer the most comprehensive after sales service in the industry including:

- Preventative Maintenance Program
- Metropolitan Spare Parts Stockists
- Field Service Technicians
- Battery Replacements
- After hours emergency callouts
- Telephone Support
- Qualified Trainers

You've made a substantial investment in Bartco. Make sure it stays protected with Bartco Service.
